# BRIDGE FOR DESIGN

## JOHN RICHARD

References to nature are evident in each design in this vignette by John Richard. The Agate cabinet shows a stunning agate design reverse hand-painted under glass. Atop the cabinet, the Zeta mirror features a frame of organic interlocking shapes. The Brass Sphere buffet lamp and creamy white Casablanca lilies are perfect accents for this setting. The cabinet, mirror and lighting pieces make a statement in any interior. US T: 001 662 453 5809 | [www.johnrichard.com](http://www.johnrichard.com)

## ALDEN PARKES

This handsome Neo-Classic Hancock cabinet by Alden Parkes is a great addition to the dining room or foyer. It features brass circular accents over mirrored door fronts and is accented with custom brass hardware. Practical as well as pretty, this cabinet features adjustable shelves and gracefully carved solid brass stretchers with stylish fretwork.
